Subject: Bessie's Coments to the MOA for the HAMP and the Hopi Villages
Attachments: DRAFT HAMP MOA with IHS and Bessie comments.docx

I took the version that had IHS' comments and added my comments. My comments are either in red or an orangish-brown, depending on what happens with you computer. I did a lot of editing and tried to make the agreement read more reader friendly. There also are also some clarifications about USEPA's authority and some of the rules and regulations under the Safe Drinking Water Act.

I also hoped I copied everyone.
